

Hello !

My name is **Taha Hamedani** . It is written like تها همدانی in Persian script.
I was born in [Shahrood](#) Iran and i' m currently living in [Mashhad](#), Iran .

I'm getting my M.Sc. study in Artificial Intelligence at [Computer Eng Dept](#) of [Ferdowsi University of mashhad](#)
and under supervision of [Dr. Ahad Harati](#)

I received my B.Sc. in Computer Engineering (Software) at [Computer Eng Dept](#) of [Ferdowsi University of mashhad](#)
and under supervision of [Dr. Saeid Abrishami](#)

I 'm currently member of [Robot Perception Lab \(RPLab\)](#) .

Areas of Interest

- **RGB-D Image Processing and pattern recognition**
- **Markov Random Field in computer vision**

- **Machine Learning**
- **Robot Perception and planning**
- **QoS-Based Workflow Scheduling in Grid**
- **Algorithm Design and computational complexity**
- [ACM-ICPC Collegiate Programming Contest](#)
